## **Our staff**

The work carried out by MacKillop Family Services is not easy. It requires competence, dedication, experience, commitment, resilience, hope, creativity and expertise. All these qualities are exhibited in many and varied ways by the full-time and part-time staff, as well as many casual staff who choose to be part of the MacKillop team.

They make our organization what it is today and what it will be in the future. Thank you to you all. As at 1<sup>st</sup> October 2005, our permanent staff team was:

### Our volunteers

Playing an equal part beside staff are over 440 volunteers who care for and support the children, young people and families in our care through home-based care, specialised home-based care or family support or who work in our opportunity shops, or comprise our Board and Committees. We salute you all.

### Donors and supporters

During 2004/2005 MacKillop Family Services has been privileged to have significant support from individuals, community and business organisations and philanthropic trusts.

We acknowledge the support from all levels of government, State, Federal and Local government agencies and departments with whom we work constructively and cooperatively.

We thank the many thousands of generous individual donors who respond so generously to the need in our community. And to the support of our MacKillop Champions (our corporate supporters program), philanthropic trusts and foundations, schools, churches and community groups who invest confidence and financial support in MacKillop Family Services, we are indeed grateful.
