**For some children, school isn't an easy place to be. Many find it hard because beyond the school gate they're dealing with some tough issues.**

**Other children simply struggle to learn in a mainstream classroom. These children slowly disconnect from education.**

On Thursday 28 April, donate to Paws4Kids and help create a new pathway for children who are unable to learn in the classroom by connecting them to therapy dogs.

**Donate at [www.paws4kids.org.au](http://www.paws4kids.org.au).**
